## Latest News from the Jeannette.

In a dispatch received at New York, Feb. 2nd, from Paris, it is stated that Lieut. De Long's last record, which had been found, read as follows:

"SATURDAY, Oct. 1, 1881.—Fourteen of the officers and men of the Jeannette reached this hut Wednesday, September 28th, and having been forced to wait for the river to freeze over, are proceeding to cross to the west side this morning, on their journey to reach some settlement on the Lena River. I have two days' provisions, but having been fortunate enough thus far to get game in our pressing needs, we have no fear of failure. Our party are all well, except Hans Erikson, whose toes have been amputated in consequence of frost-bite. (Signed) GEORGE W. DE LONG."
